**Weekly Report** is published by the Arizona Game and Fish Department's Legislative and Government Affairs Division. While the state's Legislature is in session, legislative staff provides a summary of bills that pertain to the Department, or that the Arizona Game and Fish Commission has voted to support or oppose, and a tracking list of bills that may have potential impacts to the state's wildlife and wildlife resources. The Legislative and Government Affairs staff also actively monitors and reports on Congressional Legislation with potential impacts to the Department, and those reports (Congressional Courant) are also available online at: [AZGFD Government Affairs](http://AZGFD.GovernmentAffairs)

The Livestock Compensation Fund is established for this purpose. The Board is required to submit a report to the Governor and the Legislature by December 31 of each year that includes specified information on the compensation and any recommendations.
